

ACCESS SERVICE

Regulations, Rates and Charges
applying to the provision of Access Services
within a Local Access and Transport Area (LATA) or
equivalent Market Area for connection to interstate
communications facilities for Interstate Customers within the
operating territories of Issuing Carriers listed below.

TXU Communications Telephone Company
Ft. Bend Telephone Company

Access Services are provided by means of wire, fiber optics, radio
or any other suitable technology or a combination thereof.

The TXU Communications Companies (TXUCC consisting of TXU Communications Telephone Company and Ft. Bend Telephone Company) hereby cancel TXU Communications Telephone Company (TXUCTC) Tariff FCC No. 1 and Tariff FCC No. 2 with this transmittal. Simultaneously, John Staurulakis, Inc. (JSI) will be ending Ft. Bend Telephone Company's (FBTC) status as an issuing carrier of JSI Tariff FCC No. 1 under separate Transmittal.

This tariff re-issues TXUCTC Tariff FCC No. 1 under a consolidated entity -- TXU Communications Companies -- and completely replaces TXUCTC Tariff FCC No. 1 and Tariff FCC No. 2 and FBTC participation as an Issuing Carrier of JSI Tariff FCC No. 1. Each page in this tariff is an original page, however there are no material changes in regulations, rates or charges between this tariff and the 2 tariffs being canceled or the tariff from which FBTC is being withdrawn. The FBTC rates from JSI Tariff FCC No. 1 are included as Section 18 of this tariff and TXUCTC Tariff FCC No. 2 is included as Section 19 of the tariff.

The name, title and street address of this tariff's Issuing Officer are located on the bottom of each page.
