Application No. 118

Secretary

445 12th Street, S. W.
Washington, D.C. 20554

Attention: Wireline Competition Bureau

The Verizon Telephone Companies (Verizon) hereby apply for Special Permission for a waiver of Section 61.74 of the Commission's Rules.

Verizon is planning to introduce an IntelliLight® Entrance Facility (IEF) Contract Tariff Option in its Tariff F.C.C. Nos. 1 and 11. This Contract Tariff Option is an offering exclusively for customers subscribing to new IEF systems. Each tariff must reference the other tariff in order to describe the Metropolitan Services Areas (MSAs) where this contract is offered and to describe the terms and conditions of IEF services.

Verizon therefore requests special permission to waive the requirements of Section 61.74 of the Commission's Rules in order to make the appropriate tariff references for the above-mentioned reasons.

Illustrative tariff pages are included with this application.

This application and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

Payment in the amount of \$695.00 has been electronically transmitted to the Mellon Bank in Pittsburgh, Pennsylvania, in accordance with the fee program procedures. The Form 159 is being transmitted electronically via ETFS.

In accordance with the requirements of Section 61.21(a)(3) of the Commission's Rules, the FCC Registration Number (FRN) for Verizon is 0003-7085-00. Verizon is filing this application on behalf of issuing carriers with the following FRNs:
