ATTENTION: WIRELINE COMPETITION BUREAU

Dear Secretary:

Citizens Telecommunications Companies ("Citizens") submits this application for special permission to request waiver of §61.58 and §61.59 of the Federal Communications Commission's rules in order to file tariff revisions on not less than one day's notice changing material which has not yet gone into effect.

On June 16, 2004 Citizens made its annual access tariff filing under Transmittal No. 151, which is scheduled to become effective on July 1, 2004. After Transmittal No. 151 was filed, an error was discovered on 23rd Revised Page 820. The page filed included a change to the Multi-line Business End User Common Line rate, when this rate should not have been changed. Support material filed with Transmittal No. 151, including the relevant Tariff Review Plan, correctly indicates that this rate does not change. Citizens seeks the above-cited waiver of §61.58 and §61.59 to correct this clerical error while retaining the July 1, 2004 effective date.

In accordance with the Commission's fee filing requirements, the original of this Application (without revised tariff material), together with a completed FCC Form 159 and a check payable to the Federal Communications Commission in the amount of six hundred ninety five dollars (\$695.00), has been forwarded to the designated office of the Mellon Bank in Pittsburgh, Pennsylvania. Please acknowledge receipt of this filing by affixing an appropriate notation on the duplicate of this Transmittal furnished herewith for that purpose and return the same in the enclosed self-addressed envelope.
