REPLY TO OPPOSITION OF SBC COMMUNICATIONS INC.

SBC Communications Inc. ("SBC"), on behalf of Nevada Bell, hereby responds to AT&T's Petition for Suspension and Investigation of Nevada Bell's annual access charge tariff filing. AT&T requests suspension of Nevada Bell's tariff because Nevada Bell assigned the incorrect amount of Average Tariff Sensitive ("ATS") rate reductions to the local switching subcategory.

Nevada Bell inadvertently applied approximately \$391 thousand of the ATS reduction to the local switching port subcategory, instead of the local switching subcategory. SBC currently is in the process of filing an errata to correct this inadvertent error.

Respectfully Submitted,
