This filing is being made by Qwest in its Tariff F.C.C. No. 1, Access Service, Section 12, Specialized Service or Arrangement. This filing adds one new case in Section 12 for Ethernet Ports over SONET for Franciscan Health System.

The new case provides Ethernet protocol interface for managed optical transport of data signals over Qwest provided Self-Healing Network Service (SHNS) OC48 at the request of Franciscan Health System. The Ethernet Ports over SONET Service is being provided as a Specialized Arrangement (SA) at this time due to technical problems associated with the introduction of this service. If and when Qwest receives other requests for the same service and Qwest offers the service as a generally tariffed service offering, conditions are included in the SA whereby the customer will be required to convert to the general tariff offering at the applicable rates. If the customer does not wish to convert to the general tariff offering the SA will be terminated without assessing the customer termination liability charges.

Supporting information discussed under Section 61.38 or 61.49 of the Commission's Rules, to the extent applicable, is included in this Transmittal letter.

The Tariff filing fee in the amount of \$720.00 is being paid by credit card through the appropriate entries in Section E of the ETFS generated Form 159.
