## ACCESS SERVICE

32. Contract Tariffs (Cont'd)32.15 Contract Tariff Option 14(A) Scope

- (1) Contract Tariff Option 14, the New Connect Discount Plan F (Plan F), is an offering exclusively for new installations of IntelliLight Optical Transport Service (IOTS), as set forth Section 7.2.19 preceding, ordered during a specific period of time.
- (2) The regulations, terms, and conditions provided in this Section 32.15 automatically apply to all customers who order new services offered under Plan F in the applicable Metropolitan Statistical Areas (MSAs) during the specified subscription periods. The qualifying services are listed in (B) following and the applicable MSAs are specified in (C) following. (C)
- (3) Customers who wish to subscribe to Plan F must do so during the following subscription periods. An initial subscription period begins on June 12, 2004 and ends on December 31, 2004 (initial subscription period). A second subscription period begins on January 1, 2005 and ends February 28, 2005 (second subscription period). In order for a service to be included in Plan F: (C)
  - (a) An order for the new service must be placed during either the initial or second subscription period, and the service must be one of the services specified in (B) following. A new service can not be a service that was disconnected from another contract option, discount plan, or tariff arrangement and subsequently ordered under this plan in order to include that service in this plan. (C)
  - (b) The customer must accept the service on the original service date. (C)
  - (c) If the customer does not accept service on the original service date, any change to a later date will make the service ineligible for the discount, unless the change is initiated by the Telephone Company.

## ACCESS SERVICE

32. Contract Tariffs (Cont'd)32.15 Contract Tariff Option 14 (Cont'd)(D) Description of Plan F

- (1) Plan F offers an automatic additional discount on all eligible IOTS services ordered from Section 7.2.19 preceding of this tariff that meet the conditions outlined in (A), (B), and (C) above. The discount will apply to new installations of IOTS rate elements (Nodes, Amplifiers, and Mileage). In addition, the discount will apply to new installations of Optical Transport Channels ordered during either the initial or second subscription period on any new or existing IOTS service. The additional discount will be applied to the monthly recurring rate elements associated with the options and categories listed in (B) above. The additional discount will not be applied to cross-connect services or to Collocated Interconnection arrangements. Application of the discount on Ring Mileage rate elements is limited to those instances where serving wire centers at each end of the mileage are within an MSA identified in (C) above. (C)
- (2) The services and the associated rate elements may be ordered only on a term plan as allowed for IOTS as described in Section 7.2.19 preceding.
- (3) Under Plan F, the customer will receive a discount applied to the monthly recurring rate elements of the term plan in effect from time to time as described in Section 7.2.19 preceding. Except for service provided under another contract tariff in this Section 32 for which minimum billed revenue is measured on a contract level basis or under Contract Tariff Option 4 or 5 preceding, service provided under Plan F is not eligible for any other circuit-specific service, term, or volume discount offered under other sections of this tariff.
  - For any 3-year, 5-year, or 7 year term plan, the Plan F discount is 33%.
- (4) Shared use as set forth in Section 5.2.7 preceding is allowed under Plan F; however, only the special access portion of a service is eligible to receive the Plan F discount.

## ACCESS SERVICE

32. Contract Tariffs (Cont'd)32.15 Contract Tariff Option 14 (Cont'd)(E) Terms and Conditions (Cont'd)

- (4) Termination liability will not apply to the disconnection of an existing IDSR service as described in Section 26.1.1 preceding if:
- the IDSR service is replaced with IOTS under Plan F provided that at least one customer premise node from the IDSR service remains on the new IOTS as a 4 Channel or 16 Channel customer premise node and
  - the IOTS has a greater total capacity than the existing IDSR service.

Termination liability will apply to the disconnection of an existing IDSR service as described in Section 7.2.17 preceding if the IDSR service is replaced with IOTS under Plan F with a lesser total capacity.

- (5) Only additional IOTS Optical Transport Channel rate elements may be added to an existing IOTS service or an IOTS service already under Plan F. Firm orders for such additional rate elements placed during either the initial or second subscription period will receive the discounts available under Plan F. (C)
- (6) Billing for Plan F will commence for all rate elements of the IOTS service simultaneously at the start of the 5-Year term plan. When such billing commences, billing will cease, without term liability, for the existing optical network service that is being replaced by the IOTS service.

## ACCESS SERVICE

32. Contract Tariffs (Cont'd)32.16 Contract Tariff Option 15(A) Scope

- (1) Contract Tariff Option 15, the New Connect Discount Plan G (Plan G), is an offering exclusively for new installations as set forth below of IntelliLight Dedicated SONET Ring (IDSR) service, as set forth in Section 7.2.17(A) preceding, ordered during a specific period of time.
- (2) The regulations, terms, and conditions provided in this Section 32.16 apply to all customers who order new services offered under Plan G in the applicable Metropolitan Statistical Areas (MSAs) during the specified subscription periods. The qualifying services (C) are listed in (B) following, and the applicable MSAs are specified in (C) following.
- (3) Customers who wish to subscribe to Plan F must do so during the following subscription periods. An initial subscription period (C) begins on June 12, 2004 and ends on December 31, 2004 (initial (C) subscription period). A second subscription period begins on (C) January 1, 2005 and ends February 28, 2005 (second subscription (C) period). In order for a service to be included in Plan G: (C)
  - (a) An order for the new service must be placed during either the (C) initial or second subscription period, and the service must be one (C) of the services specified in (B) following. A new service can not be a service that was disconnected from another contract option, discount plan, or tariff arrangement and subsequently ordered under this plan in order to include that service in this plan.
  - (b) The customer must accept the service on the original service date.
  - (c) If the customer does not accept service on the original service date, any change to a later date will make the service ineligible for the discount, unless the change is initiated by the Telephone Company.

## ACCESS SERVICE

32. Contract Tariffs (Cont'd)32.16 Contract Tariff Option 15 (Cont'd)(D) Description of Plan G

- (1) Plan G offers a discount as set forth in (D)(3) following on all eligible IDSR services ordered from Section 7.2.17(A) preceding of this tariff that meet the conditions outlined in this Plan G. For the purchase of new IDSR Ring arrangements, the Plan G discount will apply to IDSR rate elements (Nodes, Ports, and Mileage). In addition, the discount will apply to new installations of IDSR Ports ordered during either the initial or second subscription period on any new or existing IDSR service. The Plan G discount will be applied to the monthly recurring rate elements associated with the options and categories listed in (B) above. Application of the discount on Ring Mileage rate elements is limited to those instances where serving wire centers at each end of the mileage is within an MSA identified in (C) above. (C)
- (2) The services and the associated rate elements may only be ordered on a term plan as allowed for IDSR and as described in Section 7.2.17(A) preceding. (C)
- (3) Under Plan G, the customer will receive a discount, as set forth below, applied to the monthly recurring rate elements at the term plan and corresponding term plan rate then in effect as described in Section 7.2.17(A) preceding. Except for service provided under another contract tariff in this Section 32 for which minimum billed revenue is measured on a contract level basis or a term plan as described in Section 7.2.17(A) preceding, service subscribed to under Plan G is not eligible for any other service, term, or volume discount offered under this tariff.
  - For any 3-year or 5-year term plan, the Plan G discount is 20%.
  - For any 7 year term plan, the Plan G discount is 10%.
- (4) Shared use as set forth in Section 5.2.7 preceding is allowed under Plan G; however, only the special access portion of a service is eligible to receive the Plan G discount.
