ACCESS SERVICE

SECTION 4. END USER ACCESS SERVICE

The Telephone Company will provide End User Access Service (End User Access) to end users who obtain local exchange service from the Telephone Company under its general and/or local exchange tariffs.

4.1 General Description

End User Access provides for the use of an End User Common Line (EUCL).

4.2 Limitations

(A) Exclusions

Neither a telephone number nor detail billing is provided with End User Access. Directory listings and Intercept arrangements are not included with End User Access.

4.3 Undertaking of the Telephone Company

The Telephone Company will provide End User Access at rates and charges as set forth in 4.6.8 as follows:

(T)

- Use of an EUCL by an end user in connection with interstate Access Services provided under this tariff. Such use will be provided when the end user obtains local exchange service.
- The Telephone Company will be responsible for contacts and arrangements with customers for the billing of End User Access charges.

ACCESS SERVICE

SECTION 4. END USER ACCESS SERVICE (Cont.)

4.6 Rate Regulations (Cont.)

4.6.4 Business Services

(A) Single Line Service

When an end user is provided a single local business exchange service in a state, semi-public service and multiparty service included, and when this local business exchange service is provided under the general and/or local exchange service tariffs, the EUCL Single Line Business - Individual line or trunk rate as set forth in 4.6.8 following, applies (T) to each such business individual line or trunk. In the case of multiparty service each party is deemed to be a user of an EUCL.

(B) Multiline Service

When an end user is provided more than one local business exchange service in a state by the same Telephone Company, semi-public service and multiparty service included, and when a local exchange service is provided under the general and/or local exchange service tariffs, the EUCL-Multiline Business - Individual line or trunk rate, as set forth in 4.6.8 following, applies to each (T) such Multiline Business individual line or trunk. In the case of multiparty service each party is deemed to be a user of an EUCL.

ACCESS SERVICE

SECTION 4. END USER ACCESS SERVICE (Cont.)

4.6 Rate Regulations (Cont.)

4.6.5 Radio Common Carriers

For each local exchange service used only as a path for the transmission of Radio Common Carrier (RCC) traffic between the Telephone Company serving wire center and the RCC's radio equipment, End User Access charges do not apply. End User Access Charges will apply to the Radio Common Carrier's local exchange service used for administrative purposes.

A Radio Common Carrier is described as a common carrier engaged in the provision of Public Mobile Service, as defined in Part 22 of the FCC Rules and Regulations, which is not also in the business of providing landline local exchange telephone service.

4.6.6 Residence Services

(A) Single Line and Multiline Service

When an end user is provided local residence exchange service(s) in a state, semi-public service and multiparty service included, and when the local residence exchange service is provided under the general and/or local exchange service tariffs, the EUCL Residence - Individual line or trunk rate as set forth in 4.6.8 following applies to each such local residence exchange service. In the case of multiparty service each party is deemed to be a user of an EUCL. (T)

8.2 Federal Universal Service Charge

(A) Service Description

The Federal Universal Service Charge (FUSC) recovers the Telephone Company's contribution to various federal universal service funds. The Telephone Company will apply a surcharge factor each month to the billed charges for interstate access services provide to end users from this Tariff.

FUSC will not apply to any billed charges for an end user when the interstate access service provide to the end user qualifies under the federal universal service guidelines for Lifeline Assistance. FUSC will not apply to interstate access services purchased by customers that resell these services to end users as part of an interstate telecommunications service and are required to contribute to the various federal universal service funds. In case of a dispute regarding whether the customer is reselling services and contributing to the various federal universal service funds, the Telephone Company may request a signed certificate to that effect from the customer.

(B) Rate Regulations

The telephone Company will bill FUSC each month as described below. The FUSC Surcharge Factor is set forth in Section 8.2(C)(1) following. The Telephone Company will multiply the FUSC Surcharge Factor against the end user's billed interstate access service charges.
