<sup>1</sup>Broadband service charges not included. Offer expires 1/31/05. Monthly rate includes direct-dialed domestic calls and calls to Canada. International calls are billed at additional per-minute rates and may have different feature capabilities. A \$29.99 service activation fee applies. Other charges may apply. Customers who disconnect Service must return equipment associated with Service in order to avoid disconnect fee. Minimum system requirements apply, DSL or 2-way cable. Internet access required. Service does not support certain directory services, direct dial calls outside the U.S. and Canada, operator assisted, pay services or third-party billing (except calling card prepaid services). Other restrictions may apply. Service will not function during a power or broadband service outage and is not compatible with home security systems. Service's 911 Emergency Dialing operates differently from traditional 911 Service. To insure correct emergency call routing, the Service Address provided to us MUST correspond to the physical location of your AT&T CallVantage<sup>SM</sup> Service phone.

<sup>2</sup>Savings do not include charges for broadband services. As compared to the lead end to end offers of MCI, Sprint, Verizon, SBC, and Bell South as of 9/8/04. Savings may be higher dependent upon state and carrier.

See the FAQs and subscriber agreement for additional terms and conditions.

<sup>3</sup>Savings based on weighted average of calling to all countries, compared to the lead plan of AT&T as of 10/1/04. Calls terminating on phones or other wireless devices may be charged additional per-minute rates and are not included in stated savings.

Alltel ADSL (TriVergent) in Lexington, SC area...A new customer's opinion

ordered service in early aug, 2001

\$49/month with \$200 cost of router deferred with 2 year service contract

initial installation charge \$50

within 1 week SpeedStream Router arrived with all filters and excellent instructi

A full two weeks later the line was still not connected - or tested!

with several prompting calls to tech support the line was activated

by Sep 19, still no good connection! line problems were investigated on seven

seperate occasions with no problems found!?!? router still drops the line connec

every 10 minutes.

No service calls have been made to inspect installation or router connections an

attempts to work with phone tech support defaulted to "we need to open a serv

ticket to check the lines"

Finally, by the second week of Oct a problem with the PPP connection router in Charlotte, NC was admitted and equipment was serviced at other end.

After going through many phone service techs I finally happened onto a good or recommended dslreports for tweaking and system improvements.

Finally, at the middle of Oct, I have a decent ADSL connection with download cl 1700kb/s ! Thank you DSL Reports! (-: my best speed before Oct was 256kb/s

Bottom Line: Cost, service help, equipment is excellent....service tech competer responsiveness to outages, system up-time is fair at best.

Other choices in this area are Roadrunner, DirectPC and other sat systems....I r the best choice for what is available. Hopefully the Altell ADSL system in Lexing SC will improve with seasoning and over time. Right now it is the best choice of available choices.

BTW: Ping rate is very high, around 950ms, which is most probably due to line conditioning problems and fault of Altell !

ITC^DeltaCom, an integrated telephone company, is the competition. The competitive local-exchange carrier (CLEC) serves business customers through 40 offices from New York to Florida. It also wholesales long-distance services to other carriers -- including [AT&T](#), [MCI](#) (formerly [WorldCom](#)), and [Sprint](#) -- through its regional fiber-optic network. The firm owns part of the network and manages the rest, which is owned by [Duke Energy](#), [FPL](#), and [Entergy](#). But the depressed telecom sector forced the company to seek debt relief and it has emerged from Chapter 11 bankruptcy with investment firm [Welsh, Carson, Anderson & Stowe](#) owning a 65% equity stake.
