Application No. 152

Secretary
Federal Communications Commission
Washington, D.C. 20554

Attention: Wireline Competition Bureau

Application is hereby made by BellSouth Telecommunications, Inc. (hereinafter BellSouth), for Special Permission to waive Sections 61.58 and 61.59 of the Commission's Rules in order to revise certain material filed under Transmittal No. 888 which became effective April 15, 2005.

Under Transmittal No. 888, BellSouth effected rate reductions for certain Managed Shared Frame Relay Services (MSFRS) and Managed Shared ATM Services (MSATMS) in both Section 21 and Section 23 of its F.C.C. No. 1, Access Services Tariff. Certain new rates provided under Price Flexibility in Section 23 were inadvertently filed incorrectly; specifically, the new rates were incorrect for MSFRS NNI rate elements at speeds of 44.210 Mbps, MultiLink 3.072 Mbps and MultiLink 6.144 Mbps on Pages 23-589.0.6 and 23-589.0.6.1.

With this application, BellSouth wishes to make a tariff filing to correct rates on these two pages (that are subject to Price Flexibility) to be effective on not less than one day's notice. Illustrative tariff pages are attached for your review.

A waiver of Section 61.58 is requested to be able to file on not less than 1 days notice. A waiver of Section 61.59 is requested to permit revisions to tariff material that has not been in effect for 30 days.

In accordance with Section 61.153(b), the original application letter, payment in the amount of \$720.00 has been electronically transmitted to the Mellon Bank in Pittsburgh, Pennsylvania, in accordance with the fee program procedures. The Form 159 is being transmitted electronically via Fee Filer as a proprietary document under FRN: 0007-1713-58.
