7.8.5 Special Promotion – BellSouth Metro Ethernet Service Application Test

7.8.5.1 General

- (A) Customers may subscribe to this promotion within sixty (60) days following the effective date of this tariff. The subscription period expires July 13, 2005.
- (B) Upon subscribing to this promotion, customers will be allowed to participate in an Application Test of BellSouth Metro Ethernet Service for up to three months, which may occur anytime during the period of May 1, 2005, and December 31, 2005. All Application Tests must be concluded no later than December 31, 2005.
- (C) An Application Test of BellSouth Metro Ethernet will allow customers to utilize the service under test conditions to determine whether the service's performance appropriately addresses the application need prior to the customer placing a firm order for the service.
- (D) Customers may elect to participate in this promotion within the 60-day subscription period in (A) above by signing a Letter of Agreement (LOA) provided by the Company and acknowledged by a Company representative's signature.

7.8.5.2 Description

- (A) An Application Test of BellSouth Metro Ethernet will be conducted for up to three months as set forth in 7.8.5.1(B) preceding. At the end of the Application Test, the customer must either discontinue the service or continue the service under month-to-month rates or Transport Payment Plan (TPP) monthly rates as provided in 2.4.8 of this Tariff.
- (B) Customers may include up to four BellSouth Metro Ethernet Connections in the Application Test. The customer's premises must be within ten airline miles of the nearest BellSouth Metro Ethernet equipped wire center.
- (C) During the three-month test period, the customer will not be charged the BellSouth Metro Ethernet nonrecurring charges and monthly rates. However, the customer must pay the nonrecurring charges for certain options, if requested, during the test period, which are: 1) Service and System Reconfiguration Charges 2) Q-Forwarding Service Establishment Charge, 3) Metro Ethernet Reporting Service Establishment Charge and Security Card Charge.

7.8.5 Special Promotion – Metro Ethernet Service Application Test (Cont'd)

7.8.5.2 Description (Cont'd)

- (D) If the customer determines that the performance of the service is unacceptable for the customer's application, the customer may disconnect the service with no charges incurred provided that the entire three-month test period has expired.
- (E) At any time during the Application Test the customer determines the test is successful and elects to subscribe to the service with no changes to the service configuration, the customer will be billed the selected month-to-month or TPP rates, which will be billed immediately following the end of the three-month test period. If changes are required to the service's configuration, the customer will be billed the applicable reconfiguration nonrecurring charges.
- (F) The rates and charges for the services in this promotion are set forth in Section 7 of this Tariff. The Company reserves the right to change the terms, conditions, rates, and charges for services in Section 7 or other sections of this Tariff during the term of the promotional period unless otherwise specified herein.
- (G) Customers subscribing to this promotion must maintain minimum-billed monthly recurring revenues of \$500,000 per month during the three-month test period for SMARTRing Service (a.k.a. BellSouth SPA Dedicated Ring) and LightGate service (a.k.a. BellSouth SPA Point to Point Network) in the Full Service Relief MSAs set forth in Section 23 of this Tariff.
- (H) These minimum-billed monthly recurring revenues will not be adjusted to reflect credits or discounts earned under other pricing plans (e.g., Area Commitment Plan, etc). Non-recurring charges and taxes will not be included in these revenues.
- (I) BellSouth Metro Ethernet will be provided subject to the availability of facilities and equipment as determined by the Company. The Company makes no warranties with respect to the performance of BellSouth Metro Ethernet for any and all customer applications tested under this promotion.
- (J) Customers subscribing to this promotion must not currently subscribe to BellSouth Metro Ethernet Service or have previously subscribed to the service.
- (K) Customers may participate only once in the Application Test under this promotion. The Company will not accept more than one request from the same customer to participate in the Application Test.
- (L) The service guarantees set forth in Section 2.4.4 (Service Assurance Warranty), Section 2.4.9 (Service Installation Guarantee) and Section 7.4.32 (Service Level Agreements for BellSouth Metro Ethernet Service) will not apply during the Application Test Period in this promotion.
