(2) Option 2:

This option waives all nonrecurring charges (if applicable) and provides a 50% monthly credit, for a 12-month period, on the monthly recurring charges associated with FlexServ Service DS1 Channel Connections (i.e., with DS0 or DS1 Switching) if the customer meets the following conditions:

- The customer must subscribe to a new 36-month or greater Channel Services Payment Plan (CSPP) for a new or existing FlexServ Service Channel Connection within the six-month promotional period. The FlexServ Service Channel Connection must be used with a new or existing SPA DS1 Service that is designated solely for interstate use. All CSPP regulations including termination liability shall apply.
- A termination penalty will also apply under this Promotion should the customer disconnect the FlexServ Service Channel Connection prior to the 36-month CSPP. The customer will be required to repay all credits received under this Promotion and the Company will bill such amount to the customer.

(B) This Promotion allows customers to receive rewards in the form of credits for the service offered under this Promotion, and these credits will be applied to the customer's bill. Applicable taxes will be computed based on the full tariff price for the service, and credits will be applied to the service's full tariff price. Credits will not be applied to taxes.

(C) Monthly recurring credits given under this Promotion will be applied to the customer's bill 30 days in arrears.

(D) Nonrecurring credits will be applied to the customer's bill at the customer's next bill date.
