**Re: Application for Special Permission**

Dear Ms. Dortch:

Alliance Communications Cooperative, Inc. ("Alliance") (FRN #0005-0971-59) hereby requests Special Permission to make a filing on less than the notice required in Section 61.58 of the Commission's Rules in order to correct the pending Transmittal No. 4 (Issued: June 16, 2005) of its Tariff F.C.C. No. 1, Access Service, to add a provision that was inadvertently omitted.

Specifically, Alliance requests Special Permission to restore the rate element for a "Capacity of 1 DS3 44.736 Mbps Interface" Channel Termination for its High Capacity Special Access Service in Section 17.3.8(A) on Page 42 of its Tariff F.C.C. No. 1. Alliance notes that it is proposing to reduce the monthly rate and increase the nonrecurring charge for the "Capacity of 1 DS3 44.736 Mbps Interface" rate element per DS3 channel installed as of July 1, 2005. Alliance understands that it will not be entitled to "deemed lawful" status under Section 214(a)(3) of the Communications Act for these particular rates.

Waiver of Sections 61.58(a) and (e) of the Commission's Rules are needed in order to make the proposed corrective filing on no less than seven (7) days' notice, and to have it become effective on July 1, 2005, the effective date for the pending annual access tariff revisions.

Copies of the proposed revised tariff pages are attached. Also attached is the statutory fee of seven hundred twenty dollars (\$720.00) for Applications for Special Permission. A copy of this filing with attachments has been delivered to the Chief, Pricing Policy Division.
