Re: Application No. 9  
Beehive Telephone Companies  
FRN: 0004339784

Dear Ms. Dortch:

On behalf of Beehive Telephone Companies: Beehive Telephone Company, Inc. and Beehive Telephone Co. Inc. Nevada ("Beehive"), application is being made pursuant to Section 61.151 of the Federal Communications Commission's Rules and Regulations ("Rules") for special permission to waive Sections 61.58 and 61.59 of the Rules.

Beehive requests permission to withdraw, on not less than one-day's notice, the proposed new rate for 800 database access services queries filed under Transmittal No. 29 on September 30, 2005 of its Access Tariff F.C.C. No. 1 without it becoming effective.

This request is necessary because the Description and Justification provided an incomplete showing to justify the proposed new rate for 800 database access service queries.

Upon receipt of the Special Permission requested herein, Beehive will file to withdraw the new rate and reset its tariff as it was prior to the September 30, 2005 filing.

Pursuant to Section 61.153(b) of the Rules, the original of this Application, Form 159, and a check for \$720.00 have been sent by courier to the Mellon Bank, Pittsburgh, Pennsylvania. Pursuant to Section 61.153(c) of the Rules, and in addition to the filing today of this package with the Commission's Secretary, a copy of this Special Permission application also has been hand delivered to the Chief, Tariff and Price Analysis Branch and to the commercial contractor, Qualex, Inc.

Beehive submits that a grant of this request would minimize the burden upon it, without duplicative filings, and would further administrative efficiency. Under these circumstances, Beehive submits that good cause exists for a waiver of Sections 61.58 and 61.59 of the Rules.

Very truly yours,

Beehive Telephone Companies
