*This charge is billed to the end user who is the subscriber to the Telephone Exchange Service. In the event an end user is incorrectly presubscribed due to misassignment on part of the Telephone Company, no charge shall apply. In the event the subscriber denies requesting a PIC change, the Company will credit the subscriber's account for the PIC change charge, if billed, associated with the alleged unauthorized change. The Company will then bill the IC responsible for the alleged unauthorized change a PIC change charge to return the subscriber to its previous carrier and, if initially billed to the subscriber, the PIC change charge for the unauthorized change. When a customer requests only an InterLATA PIC Change, the "InterLATA Only" charge applies. When a customer requests both an InterLATA along with an IntraLATA PIC Change, the "InterLATA and IntraLATA" rate applies.
