* This charge is generally billed to the end user who is the subscriber to the Telephone Exchange Service.

In those instances where the IC both requests the presubscription changes, and requests the associated charge be billed to it, the Telephone Company will bill the IC. In the event an end user is incorrectly presubscribed due to misassignment on the part of the Telephone Company, no charge shall apply. In the event an end user is incorrectly presubscribed due to misassignment on the part of the IC, and the IC is unable to document such an assignment, the Telephone Company will apply the charge to the IC responsible for the misassignment of the end user and assign the end user to an IC of the end user's choice.

** In those instances where the customer or IC requests a change of both their interLATA primary exchange carrier (IPIC) and intraLATA primary exchange carrier (LPIC) only 50% of the rate will apply.
