On December 12, 2005, JSI provided on behalf of the Comporium Companies notice to the Commission of the Comporium Companies' intent to cancel provision of ADSL on a tariffed basis effective January 11, 2006. A copy of the notice is being provided with this filing.

The filing includes modifications to both rate pages and regulations. With respect to rate pages, the ADSL rate page for each of the three Comporium Companies is revised to reflect discontinuance of ADSL service. In addition, the filing also expands the description of the DSL Access Service Connection Point in Section 16.2, ADSL to specify that the DSL Access Service Connection Point may be used to interconnect DSL Access Services provided under the tariff or WBI transmission services provided on non-tariffed basis with the specified tariffed, interstate access services.

No other issuing carriers for JSI Tariff F.C.C. No. 1 are affected by this filing.

Consistent with the requirements of the *Wireline Broadband Order*, notice was provided on December 12, 2005 to the following parties:
