Qwest is filing tariff language in its Tariff F.C.C. No. 1, Section 7 - Private Line Transport Service, to Grandfather the existing DS1/DS3 Regional Commitment Program (RCP) and introduce a new DS1/DS3 Regional Commitment Program. The commitment under this program will now be circuit based rather than channel termination based. Customers will continue to receive a discount on the 100% of their in service circuits in exchange for a 90% circuit level commitment. The 20% discount will also be increased to 22%.

This filing is being made at the request of current RCP customers in response to their requests for a new plan and to facilitate the retentions of existing service.

Supporting information discussed under Sections 61.38 and 61.49 of the Commission's Rules is, to the extent required, included in this transmittal letter.

The Tariff filing fee in the amount of \$720.00 is being paid by credit card through the appropriate entries in Section E of the ETFS generated Form 159.
