V.P. - Access and Interconnection
ALLTEL Communications, Inc.
One Allied Drive
Little Rock, AR 72203

ACCESS SERVICE

9. Advanced Communications Networks9.1 Digital Subscriber Line Service9.1.1 General

Digital Subscriber Line (DSL) service provides high-speed connections over existing copper facilities which are also used to provision customers' local exchange service. The regulations and rates specified herein are in addition to the applicable regulations and rates specified in other sections of this tariff.

9.2 ADSL Service9.2.1 Service Description

This section contains the rules and regulations pertaining to the provision of Asymmetrical Digital Subscriber Line (ADSL) Service. ADSL service is an access data technology service offered in nine service level packages as listed in Section 9.4.1 following. The "up" speeds represent "transmission speeds in kilobits or megabits", from the customer designated premise (CDP) to the Telephone Company's ADSL connection point, while the "down" speeds represent "transmission speeds in kilobits or megabits", from the Telephone Company's ADSL connection point to the CDP. The connection point is the aggregation point designated by the Telephone Company for connecting multiple Telephone Company serving wire centers of ADSL terminations to other Telephone Company provided network interface services.

(TR159)

ACCESS SERVICE

9. Advanced Communications Networks (Cont'd)9.4 Rate Regulations9.4.1 Rate Elements

A nonrecurring charge and a monthly rate apply for the installation of ADSL Service. A nonrecurring charge is also applicable when making changes, i.e., bandwidth, access provider, move.

ADSL Service is available in nine service level packages, and is based on the "downstream and upstream" speeds chosen by the customer. A customer may select from multiple packages; however, the downstream and upstream speeds may not be substituted within a service level, as the packages are defined by the downstream and upstream speeds. (C)

	<u>Downstream</u>	<u>Upstream</u>	
ADSL Tier 1	1536 Kbps	384 Kbps	
*ADSL Tier 2	1536 Kbps	512 Kbps	
#ADSL Tier 3	1536 Kbps	768 Kbps	
ADSL Tier 4	256 Kbps	128 Kbps	
ADSL Tier 5	512 Kbps	512 Kbps	
ADSL Tier 6	3 Mb	384 Kbps	
ADSL Tier 7	3 Mb	768 Kbps	
ADSL Tier 8	6 Mb	384 Kbps	(N)
ADSL Tier 9	6 Mb	768 Kbps	(N)

Data speeds set forth above are peak speeds. Actual speeds may be affected by loop distance and other factors, therefore, are not guaranteed.

9.4.2 Term Discounts

ADSL Service may be ordered at the customer's option on a monthly rate basis or for Term Discount periods of 12 months (1 year) or 24 months (2 years).

The minimum service period on a monthly rate basis is one month and for all Term Discount plans is twelve months. The customer must specify the length of the service commitment period at the time the service is ordered.

For customers that subscribe to the Term Discount plan for 12 months or 24 months, the Term Discount Rates as set forth in 9.4 following will be frozen from Company initiated increases, for the entire discount period of the rates in effect at the beginning of the Term Discount period.

If a term discount rate decrease occurs during the term of an existing Term Discount plan, the decreased rate will be applied automatically to the remainder of the current Term Discount period.

* As of March 1, 2004 Tier 2 will no longer be available to new customers.

As of February 2, 2005 Tier 3 month to month, one and two year options will no longer be available to new customers.

ACCESS SERVICE

9. Advanced Communications Networks (Cont'd)9.4 Rate Regulations (Cont'd)9.4.5 Promotional Offerings (Cont'd)

- (C) For a limited time only, Telephone Company subscribers to local service may order new ADSL Tier Eight service at \$19.95 a month for the first 12 months of service. To receive this promotional offering, a customer must place an order for new ADSL service between March 1, 2006, and June 30, 2006. This promotional offering is available to residential and business customers. If the order completion is delayed due to Telephone Company reasons, the promotional offering will be extended to those affected customers. This offering is not available with any other promotions. (N)
- (D) Reserved For Future Use
- (E) For a limited time only, Telephone Company subscribers to local service may order new ADSL Tier One service at \$9.95 a month for the first 12 months of service. To receive this promotional offering, a customer must place an order for new ADSL service between January 1, 2006, and June 30, 2006. This promotional offering is available to residential and business customers. If the order completion is delayed due to Telephone Company reasons, the promotional offering will be extended to those affected customers. This offering is not available with any other promotions. (N)
- (F) For a limited time only, Telephone Company subscribers to local service may order new ADSL Tier Four service at \$7.95 a month for the first 12 months of service. To receive this promotional offering, a customer must place an order for new ADSL service between January 1, 2006, and June 30, 2006. This promotional offering is available to residential and business customers. If the order completion is delayed due to Telephone Company reasons, the promotional offering will be extended to those affected customers. This offering is not available with any other promotions.
- (G) For a limited time only, Telephone Company subscribers to local service may order new ADSL Tier Six service at \$14.95 a month for the first 12 months of service. To receive this promotional offering, a customer must place an order for new ADSL service between January 1, 2006, and June 30, 2006. This promotional offering is available to residential and business customers. If the order completion is delayed due to Telephone Company reasons, the promotional offering will be extended to those affected customers. This offering is not available with any other promotions.
