Transmittal No. 120

Ms. Marlene H. Dortch  
Secretary  
Federal Communications Commission  
Washington, D.C. 20554

Attention: Wireline Competition Bureau

The accompanying tariff material, issued by Nevada Bell Telephone Company (NBTC) and bearing Tariff F.C.C. No. 1, is sent to you for filing in compliance with the requirements of the Communications Act of 1934, as amended.

This filing, scheduled to become effective March 11, 2006, consists of tariff pages as indicated on the following Check Sheets:

<u>Tariff F.C.C. No.</u>	<u>Check Sheet Revision No.</u>
1	119th Revised Page 1
	50th Revised Page 1.2

With this filing, NBTC is proposing to modify its language to support the end of the UNE transition period. Pursuant to the *TRO Remand Order*, the period for transitioning the CLEC's embedded base of customers from Unbundled DS1/DS3 Loops, Dedicated Transport and Declassified services to alternate Access Service arrangements began on March 11, 2005, and ends on March 11, 2006. CLECs were required to use this period to effect an orderly transition and avoid service interruptions. Due to failure on the part of numerous CLECs to transition circuits or submit a transition plan for affected circuits, and in order to avoid future service disruption due to disconnection of circuits which are not part of a transition plan, NBTC is proposing to add the verbiage in Section 2.1 and 5.1 of Tariff F.C.C. No.1.

Supporting information discussed under Section 61.49 of the Commission's Rules, to the extent applicable, is included with this filing in the attached Description and Justification.
