Secretary  
Federal Communications Commission  
Washington, DC 20554

Attention: Common Carrier Bureau

The accompanying material, issued on behalf of the Sprint local telephone companies (Sprint LTC), is submitted to establish a single set of aggregated price cap indices for the Sprint LTC. Currently, separate indices are maintained for nine filing entities in eighteen states reflecting nine Company Study Areas ("COSA") codes. Sprint LTC will now file a single Tariff Review Plan ("TRP") under a single COSA code known as SPTC.

This filing proposes to aggregate the indices for the various Sprint LTC companies in each of the five baskets – Common Line, Traffic Sensitive, Trunking, Special Access and Interexchange – into a single set of indices for the Sprint LTC. This will allow Sprint LTC to file a single TRP, which will reduce the work required by all parties who prepare and review the material by aggregating nine sets of TRP exhibits to a single set of exhibits for SPTC.

In accordance with the requirements of Section 61.21(a)(3) of the Commission's Rules, the FCC Registration Number (FRN) for Sprint is 0003-7619-39. Sprint LTC is making this filing on behalf of issuing carriers with the following FRNs:
