23.6 Contract Offer No. 6 - OC-48 Dedicated SONET Ring Service Offer
(Cont'd)23.6.8 Termination Liability

Termination liability language described below applies in lieu of the termination liability language described in NBTC Tariff F.C.C. No. 1, Section 26. If the Customer discontinues services provided under this Contract Offer before the completion of the Term Period for any reason, the Customer must pay the Telephone Company termination liability charges as described below. Termination liability charges will also apply if the Customer is not in compliance with the Eligibility Criteria in Section 23.6.3, or the Terms and Conditions in Section 23.6.4.

These termination liability charges shall become due as of the effective date of the termination of service and are payable as described below.

The Customer's termination liability charges shall be equal to:

50 percent of all Monthly Recurring Charges for the balance of the Customer's seven (7)year Term Period for the OC-48 DSRS.

The termination liability charge shall be calculated as follows:

(MRCs) multiplied by (Months remaining in billing)
multiplied by (Termination percentage of 50 percent)

Example: Customer with a \$10,964 Monthly Recurring Charge terminates service after three (3) years and has forty-eight (48) months remaining on the seven (7)year Term Period. The termination liability would be calculated as:

$(\$10,964 \times 48 \text{ months}) \times 50\% = \$263,136$ termination liability charge
