

**Sprint Local Telephone Companies**

**Tariff F.C.C. No. 3**

**Transmittal No. 276**

*Description and Justification*

The Sprint local telephone companies (Sprint LTC) hereby submit the following information in support of the accompanying tariff filing, as required by Sections 61.38 and 61.49(f)(3) of the Federal Communications Commission's Rules and Regulations.

This filing is being made on 15 days' notice under the Federal Communications Commission's streamlined filing procedures, and proposes to add a promotional offering waiving the nonrecurring charges when a customer installs a new Custom Access Solutions arrangement under a three year minimum service period from March 31, 2006 through June 30, 2006.

In order to stimulate the sale of Custom Access Solutions arrangements, Sprint LTC is introducing a limited time promotional offering whereby the nonrecurring charges associated with Custom Access Solutions will be waived for customers who install a new Custom Access Solutions arrangement under a three year minimum service period. To be eligible for the promotional offering, customers must place the order for Custom Access Solutions from March 31, 2006 through June 30, 2006. In the event the customer terminates its Custom Access Solutions arrangement prior to the expiration date of the three year minimum service period, any nonrecurring charges waived under this promotion will be included in the calculation of the customer's termination liability charges.

The Sprint local telephone companies are submitting the accompanying tariff revisions in accordance with the Commission's Rules governing the provision of interstate access services.
