SECTION 3 - SPECIAL CONSTRUCTION CASES

3.1 Charges to Provide Permanent Facilities

(N)

3.1.1 Case 2005-500030

A. Description of Service

Special construction for installation of fiber optic facilities to support a primary route for DS-3 special access line telecommunications services.

B. Location of Service

210 West Kamehameha Avenue  
Kahului, Hawaii 96732

C. Service Period

Charges for the special construction are monthly recurring for a period of sixty (60) consecutive months from the in-service date.

D. Other Terms

Customer shall provide adequate and secure space, power and a path for the Company's equipment.

Customer agrees to pay any additional costs incurred by the Company, over and above the charge as a result of the Customer's special requirements; if the work requested is altered or modified in any way; or if the work is required to be performed other than during the Company's normal business hours and such work is requested by the Customer.

E. Rates and Charges

|                           |          |
|---------------------------|----------|
| Monthly Recurring Charge* | \$188.00 |
| (USOC)                    | 93P5F    |

\*Separate charges will apply to telecommunications services provided over these facilities.
