

BELLSOUTH TELECOMMUNICATIONS, INC.
SPECIAL PROMOTION FOR
CUSTOMER CONFIGURATION MANAGEMENT CAPABILITY
DESCRIPTION AND JUSTIFICATION
TRANSMITTAL NO. 995

BellSouth Telecommunications, Inc. (hereinafter "BellSouth"), with this filing, is revising Section 25 of its Access Services Tariff, F.C.C. No. 1, to introduce a Special Promotion for Customer Configuration Management Capability. The Promotion will be offered to customers in the Metropolitan Statistical Areas (MSAs) in which BellSouth has received Pricing Flexibility. This Promotion is being filed on August 31, 2006, with a scheduled effective date of September 1, 2006.

This Promotion offers rewards to customers subscribing to Customer Configuration Management Capability subject to terms and conditions specified in the promotional tariff. Customer Configuration Management Capability must be equipped with Network Visibility Service, both of which are optional features of Exchange Access Frame Relay Service (a.k.a. BellSouth Exchange Access Frame Relay) and Managed Shared Frame Relay Service. The Promotion will run for a period of six months, which begins September 1, 2006, and concludes February 28, 2007.
