ACCESS SERVICE

6 - BellSouth SWA Service (Cont'd)

6.2 Provision and Description of BellSouth SWA Service Arrangements (Cont'd)

6.2.16 BellSouth Wavelength SWA Channel Service Components

- (A) BellSouth Wavelength SWA Channel Service Components provide optical transport service components for the purpose of shared use calculations only and are not service components that are ordered by customers. When a customer subscribes to BellSouth Wavelength Channel Service, as found in Section 29 of this tariff, and utilizes a portion of that services' capacity for providing BellSouth SWA service, then the rates and charges associated with BellSouth Wavelength SWA Channel Service Components shall be used for shared use calculations.

6.2.17 BellSouth SWA Optical Managed Shared Network Service Components (N)

- (A) BellSouth SWA Optical Managed Shared Network Service Components provide service components for the purpose of shared use calculations only and are not service components that are ordered by customers. When a customer subscribes to BellSouth Managed Shared Network Service optical transport, as found in Section 7 of this tariff, and utilizes a portion of that services' capacity for providing BellSouth SWA service, then the rates and charges associated with BellSouth SWA Optical Managed Shared Network Service Components shall be used for shared use calculations. ACCESS SERVICE

7 - Special Access (a.k.a. BellSouth SPA) Service (Cont'd)

7.4. Rate Regulations (Cont'd)

7.4.27 BellSouth SPA Managed Shared Network Service (Cont'd)

For BellSouth SPA Managed Shared Network Service, the DS3 local channel rates will be reduced by 1/(the quantity of BellSouth SPA Managed Shared Network Service DS3 local channels at an aggregation location times 672) for each BellSouth SWA voice grade circuit on a BellSouth SPA Managed Shared Network Service DS3 local channel. For BellSouth SPA Managed Shared Network Service OC-3 Local Channels, the OC-3 Local Channel rates will be reduced by 1/(the quantity of BellSouth SPA Managed Shared Network Service OC-3 local channels at an aggregation location times 2,016) for each BellSouth SWA voice grade circuit on a BellSouth SPA Managed Shared Network Service OC-3 Local Channel. (C)
(C)
(C)
(C)
(C)

BellSouth SPA Managed Shared Network Service is available for use as a part of a shared network arrangement whereby the standard tariff transport from an Origination Location to a serving wire center may be billed to another customer. However, BellSouth SPA Managed Shared Network Service rates will only be billed to BellSouth SPA Managed Shared Network Service customer. In the event of a shared network arrangement, BellSouth SPA Managed Shared Network Service interoffice channels will be measured from the serving wire center at which the BellSouth SPA Managed Shared Network Service channels are connected to the service of the other customer to the normal serving wire center of the Aggregation Location.

BellSouth SPA Managed Shared Network Service is considered a higher order of service to LightGate service (a.k.a. BellSouth SPA Point to Point Network), based upon the hierarchy found in Section 2.4.8(A) for determination of termination liability charges. Where the customer converts services to BellSouth SPA Managed Shared Network Service which are a higher order of service than LightGate service (a.k.a. BellSouth SPA Point to Point Network), termination liability charges will not apply if the conversion is requested no later than 30 days after the effective date of this tariff (February 25, 1997). For conversion of a service that is a higher order of service than LightGate service (a.k.a. BellSouth SPA Point to Point Network), the change will be made based on the customer sending Access Service Requests to discontinue circuits on the higher order service and establish them as BellSouth SPA Managed Shared Network Service.

The Company's guarantee of the performance of the BellSouth SPA Managed Shared Network Service DS1 and DS3 components will be as specified in Section 2.4.4.(B)(10) and Section 2.4.4.(B)(11) for DS1 special access (a.k.a. BellSouth SPA) service and LightGate service, respectively. The guarantee for BellSouth SPA Managed Shared Network Service DS0 components is as specified in Section 2.4.4.(B)(1) for service interruptions that receive 1/1440 of the monthly charges after a 30 minute outage.

BellSouth SPA Managed Shared Network Service and the applicable rates will commence beginning with the date a customer orders service. However, where ordering and billing processes have not yet been converted to BellSouth SPA Managed Shared Network Service, the customer must order any additional services to be provided under BellSouth SPA Managed Shared Network Service as existing tariffed services and be billed under tariff rates which would apply for such services, with billing adjustments made to true-up such billing to assure application of the appropriate BellSouth SPA Managed Shared Network Service rates.

All BellSouth marks contained herein and as set forth in the trademarks and service marks section of the BellSouth Tariffs are owned by BellSouth Intellectual Property Corporation.
