(F) Application of Monthly Recurring Rates and Nonrecurring Charges

Except as expressly provided in this Section 32.46, the rates and regulations set forth herein do not apply to an Eligible Special Access Service that is subscribed to under this Option 45, where such Eligible Special Access Service is served by a wire center that is not within a Phase I or Phase II MSA, or where the End User channel termination of an Eligible Special Access Service is served by a non-qualified wire center as described in Section 15.3 preceding.

- (1) Subject to (F)(2) following, the monthly recurring rates set forth in (I) following apply to each Eligible Special Access Service that is subscribed to under this Option 45, as follows. Monthly recurring rates are arranged in two (2) tiers depending on the percentage of Qualified MSAs that the customer elects to convert at the time of subscription to this Option 45.

(a) Tier 1 Monthly Recurring Rates

Where an Eligible Special Access Service is served by a wire center that is within a Phase I or Phase II Qualified MSA of this tariff, and where the customer elected to convert all (one hundred percent (100%)) of its Eligible UNEs within one hundred percent (100%) of its Qualified MSAs to the Eligible Special Access Services as specified in (A)(3) preceding, Tier 1 monthly recurring rates set forth in (I)(1) following apply in accordance with Section 15.3 preceding. In this case, Tier 1 monthly recurring rates apply in lieu of the monthly recurring rates set forth in Section 30 preceding for price band rates and charges and Section 31 preceding for all other rates and charges (as determined in accordance with Section 15.3 preceding).

(b) Tier 2 Monthly Recurring Rates

Where an Eligible Special Access Service is served by a wire center that is within a Phase I or Phase II Qualified MSA of this tariff, and where the customer elected to convert all (one hundred percent (100%)) of its Eligible UNEs within eighty percent (80%) of its Qualified MSAs to the Eligible Special Access Services as specified in (A)(3) preceding, Tier 2 monthly recurring rates set forth in (I)(2) following apply in accordance with Section 14.7 preceding. In this case, Tier 2 monthly recurring rates apply in lieu of the monthly recurring rates set forth in Section 30 preceding for price band rates and charges and Section 31 preceding for all other rates and charges (as determined in accordance with Section 15.3 preceding).

- (2) Where the End User channel termination of an Eligible Special Access Service that is subscribed to under this Option 45 is served by a non-qualified wire center (as described in Section 15.3 preceding), the monthly recurring rates and nonrecurring charges as set forth in other sections of this tariff apply in accordance with Section 15.3 preceding.
