

**NEVADA BELL TELEPHONE COMPANY  
END USER COMMON LINE (EUCL) LANGUAGE MODIFICATION  
DESCRIPTION AND JUSTIFICATION**

**Transmittal No. 144**

**October 17, 2006**

**Purpose**

With this filing, Nevada Bell Telephone Company (NBTC) will remove obsolete language referring to the words “Party” or “Multi-party” in Section 4-End User Access Service (End User).

**Party or Multi-party Language Reference**

With this filing, NBTC will remove all obsolete language and rate references to the words “Party” or “Multi-party” in Section 4. The descriptions for “Party” or “Multi-party” referenced in Section 4 were never applicable. The EUCL charges referencing “Party” or “Multi-party” line are charged on a per line basis, depending on the EUCL service: primary residential, non-primary residential, single line business, or multiline business.
