CASE NO. SC06-N782-01

**SECTION 1**  
**INTRODUCTION**  
**SPECIAL CONSTRUCTION CASE**  
**SC06-N782-01**

With this filing, BellSouth Telecommunications, Inc. proposes to recover the cost associated with special construction necessary to provide BellSouth® Metro Ethernet Net-VPN service from the customer's location at 325 Old Moncks Corner Road, Goose Creek, South Carolina to the Charleston Deer Park Central Office. Special Construction is required because facilities are not available to meet the Customer's request. The Telephone Company must construct new facilities consisting of 8400 feet of buried 24 strand fiber cable between the customer's location and the Charleston Deer Park Central Office. The Telephone Company has no other planned use for the facilities requested.

Because this special construction is provided in connection with a service available under an existing tariff, the customer will be charged the tariff rates for services as set forth in BellSouth's FCC Tariff in addition to the charges described herein. The charges set forth in this filing recover the costs caused by this customer's request. Workpaper I provides a summary of the charges for the service; Workpaper II provides cost details, Workpaper III provides monthly capital cost calculations, and Workpaper IV provides non-recoverables summary.

SECTION 2  
RATE AND COST DEVELOPMENT

2.1 INTRODUCTION

This special construction case establishes charges necessary for facilities to provide service between the customer location at 325 Old Moncks Corner Road, Goose Creek, South Carolina and the Charleston Deer Park Central Office. The facility portion requiring special construction consists of 8400 feet of buried 24 strand fiber cable between the customer's location and the Charleston Deer Park Central Office.

The following is a summary of the charges associated with this filing. A description of each element is contained in Section 2.2.

Special Construction Charges for BellSouth® Metro Ethernet Net-VPN ® Service

Special Construction Charge	\$15,040.00
Case Preparation	\$ 1,483.00

2.2 DESCRIPTION OF CHARGES

2.2.1 Nonrecurring Charge

The Nonrecurring charge is applied to recover the present worth of the monthly capital costs, calculated over the account average life of the applicable field reporting code, then spread over the contract period. The capital costs are developed from the estimated non-recoverable investments associated with the special construction. The non-recoverable investments consist of estimated engineering and installation costs based on labor hours

and labor rates, outside contractor billing and associated material. Details of this component are shown on Workpaper IV, page 1. The present worth of the capital costs is developed using the authorized cost of capital. Details of the costs supporting this component are shown on Workpaper II, page 1.

The Case Preparation Charge is applied to recover the applicable costs of the case preparation. Case preparation consists of the cost of administrative expenses associated with preparing a special construction case and the associated tariff filing. Details of the costs supporting this component are shown on Workpaper II, page 1.
