3.1.8 Case 2006-500141

(N)

A. Description of Service

Special construction for the installation of fiber optic facilities to support a relocation of existing Frame Relay DS-3 Special Access Line telecommunications services, furnished under FCC jurisdiction ("The Work"). Separate charges will apply to the telecommunications services provided over the network facilities installed under this Application.

B. Location of Service

Honolulu, Hawaii

C. Other Terms

1. The Customer agrees to pay additional costs if this request is altered or modified in any way, or if work is required to be performed other than during the Company's normal business hours, and such work is requested by the Customer. Any additional charges will be subject to an amendment to the underlying agreement.

2. If the Customer terminates this service or cancels the agreement, the Customer shall promptly pay to the Company all non-recoverable costs and expenses incurred by the Company as of the date of termination of the service by Customer. If the Customer terminates the service after the effective date of the tariff, the Customer shall pay the Company termination liability equal to the nonrecurring charges set forth below.

D. Rates and Charges

No monthly or nonrecurring charges apply.

A Termination Liability Charge will apply if the Customer terminates the contract prior to the five year term. Separate charges will apply to the telecommunications services provided over the network facilities installed.

Termination Liability Charge \$22,725.00*

**Termination Liability will be amortized over five year period.*
