ATTENTION: WIRELINE COMPETITION BUREAU

Dear Secretary:

The accompanying tariff material, issued by Citizens Telecommunications Companies ("Citizens") and scheduled to become effective April 3, 2007, is sent to you for filing in compliance with the Communications Act of 1934, as amended. Demand and costs for all of Citizens' exchanges, including the ones subject to the current request, were included in the cost study filed under Transmittal No. 149. Citizens' demand and cost for Local Number Portability included in the cost study filed under Transmittal No. 149 have not changed since that filing and still remain applicable. With this filing, Citizens adds an additional exchange where Local Number Portability (LNP) is now available so that Citizens may recover the LNP investment. Citizens also increases its USF Recovery Charge rate.

In accordance with the Commission's fee filing requirements, a filing fee in the amount of seven hundred seventy-five dollars (\$775.00), has been paid by credit card and an electronic Form 159 has been submitted.
