Application No. 31

Ms. Marlene H. Dortch  
Secretary  
Federal Communications Commission  
Washington, D.C. 20554

Attention: Wireline Competition Bureau

Application is hereby made by the Nevada Bell Telephone Company (NBTC) for Special Permission to waive Section 61.59 of the Commission's Rules in order to withdraw certain material from Transmittal 152 without its becoming effective. This material is scheduled to become effective on April 5, 2007.

On March 29, 2006, NBTC filed Transmittal No. 152 proposing rate reductions to its Tariff F.C.C. No. 1, in compliance with the AT&T/Bellsouth Merger Commitment No. 6. Additionally, the filing introduced vintage rates. The vintage pages were made in error.

With this application, NBTC requests permission to waive Section 61.59 of the Commission's Rules in order to withdraw vintage pages, filed under Transmittal 152, without becoming effective. The illustrative tariff pages are attached.

A waiver of Section 61.59 is requested to permit revisions to tariff material that is not yet in effect.

This Application letter and the appropriate illustrative tariff page are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

Payment in the amount of \$775.00 has been electronically transmitted to the Mellon Bank in Pittsburgh, Pennsylvania, in accordance with the fee program procedures. The Form 159 is being transmitted electronically via ETFS as a proprietary document. These actions have been committed on the date established as the issued (filed) date as reflected above.
