Transmittal No. 129

Ms. Marlene H. Dortch
Secretary
Federal Communications Commission
Washington, D.C. 20554

Attention: Wireline Competition Bureau

The accompanying tariff material issued by John Staurulakis, Inc. (JSI), and bearing Tariff F.C.C. No. 1, is sent to you for filing in compliance with the requirements of the Communications Act of 1934, as amended.

The F.C.C. Registration Number (FRN) for JSI is 0003-7481-42. The FRNs for the issuing carriers for JSI Tariff F.C.C. No. 1 are provided at Appendix A to this transmittal letter.

The filing, to become effective June 30, 2007, consists of tariff pages as indicated on the following checksheet:

Tariff F.C.C. No. 1

123rd Revised Page 0-1

In this transmittal, JSI proposes addition to JSI Tariff F.C.C. No. 1 of regulations for Asymmetric Digital Subscriber Line ("ADSL") Access Service at new Section 8.1, the related Digital Subscriber Line ("DSL") Access Services Wholesale Rate Plan at new Section 8.3 and Public Packet Data Network Ethernet Transport Service ("ETS") at new Section 16.4. Also in this transmittal, JSI proposes revisions to existing Section 7 Special Access Regulations, Section 16.1, Public Packet Data Network Frame Relay Service ("FRAS") and Section 16.7, Public Packet Data Network Asynchronous Transfer Mode Cell Relay Access Service ("ATM-CRS"). No new rate pages are included in this filing. These additions and revisions are necessary to allow seamless transition for eight new issuing carriers for JSI Tariff F.C.C. No. 1 concurrent with cancellation as issuing

carriers for National Exchange Carrier Association, Inc. ("NECA") Tariff F.C.C. No. 5 effective June 30, 2007.

In addition to the proposed revisions mentioned above, in this transmittal JSI proposes removal of obsolete regulations for High Capacity DS3 Capacity Discounts. Only two issuing carriers have the DS3 Capacity Discount listed in their respective rate section, and neither has any current demand. Moreover, NECA deleted the same offering previously and thus no carrier being cancelled as an issuing carrier for NECA Tariff F.C.C. No. 5 and becoming an issuing carrier for JSI Tariff F.C.C. No. 1 is impacted.

No new services or rates are proposed in this filing, and customers are not directly impacted.

This transmittal is a companion filing to JSI Transmittal No. 130, the required 2007 annual filing. In the annual filing under JSI Transmittal No. 130, JSI is filing revised rates on behalf of existing issuing carriers who file rates pursuant to Section 61.39 and for which odd-numbered years are mandatory biennial filing years. A Description and Justification for the proposed revisions is attached.

Pursuant to Section 61.32(b) of the Commission's Rules, the original of this letter, Form 159, and a check for \$775.00 have been sent via overnight delivery to the Mellon Bank, Pittsburgh, Pennsylvania, as of this date.

Any questions regarding the filing may be directed to me at the address and telephone number listed above, or by email at sduncan@jsitel.com. Additionally, questions may be directed to John Kuykendall, JSI Director-Regulatory Affairs, at 301-459-7590 or jkuykendall@jsitel.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Duncan", written in a cursive style.

Scott Duncan
Staff Director-Regulatory Affairs
