**Re: Application for Special Permission**

Dear Ms. Dortch:

James Valley Cooperative Telephone Company (JVCTC) (FRN #0005-0972-17) hereby requests Special Permission to make a filing on less than the notice required in Sections 61.58 of the Commission's Rules and a waiver of 61.59 of the Commission's Rules in order to correct the pending Transmittal No. 10 (Issued: June 15, 2007) of its Tariff F.C.C. No. 1, Access Service, to add a provision that was inadvertently omitted.

Specifically, JVCTC requests Special Permission to restore DSL Access Service Discount Pricing Arrangement Term Plans in Section 17.4.9 (C). JVCTC understands that it will not be entitled to "deemed lawful" status under Section 214(a)(3) of the Communications Act for these particular rates.

These changes are to be effective June 30<sup>th</sup>, 2007, as with the initial filing.

Copies of the proposed revised tariff pages are attached. Also attached is the statutory fee of seven hundred seventy five (\$775.00) for Applications for Special Permission. A copy of this filing with attachments has been delivered to the Chief, Pricing Policy Division.
