With this transmittal, Verizon is issuing the second phase in a series of planned filings to align its credit allowance regulations. Specifically, exceptions to the credit allowance provisions are being aligned, where possible, across Verizon's regions. Also with this filing, Verizon will commence providing credits on eligible services for missed installation due dates on expedited orders and on orders for installation at a non-standard premises.

Sections are being renumbered and credit allowance regulations are being reordered and moved into the Service Level Agreement section of the tariff.

Support material as described under Section 61.49 of Commission's Rules is included with this filing. A document is attached which provides a detailed description of all the changes proposed under this transmittal.

This transmittal letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

Payment in the amount of \$775.00 has been electronically transmitted to the Mellon Bank in Pittsburgh, Pennsylvania, in accordance with the fee program procedures. The Form 159 is being transmitted electronically via ETFS.

In accordance with the requirements of Section 61.21(a)(3) of the Commission's Rules, the F.C.C. Registration Number (FRN) for Verizon is 0003-7085-00. Verizon is filing this application on behalf of issuing carriers with the following FRNs:
