4 - End User Access Service (Cont'd)

4.6 Rate Regulations (Cont'd)

(N) When an end user is provided a local exchange service which is not identified as Centrex, Business Service or Residence Service (e.g., Farm Service, Local Service), the Telephone Company will designate the service as Centrex Type Services, Business Service or Residence Service. The charges as set forth in 4.7 following for Centrex Type Services, Business Subscriber or Residence Subscriber in accordance with the designation will apply.

(O) With the exception of Federal Universal Service (FUS) charges recovered from Special Access end user customers described in Section 4.6(P) following, the Telephone Company will recover the FUS charges through flat-rated, monthly charges. FUS charges, as set forth in 4.7(E), following, will be billed to the end user subscriber of the associated local exchange service, with exception to Lifeline and Reseller customers.

Dormitory lines that receive residential treatment as described in Section 4.6(C) preceding will be assessed the Primary or Additional Residential FUS charge as set forth in 4.7(E) following.

(P) A Federal Universal Service charge will be assessed to end user customers with direct Special Access Service billing. The monthly charge will be applied at the billing account level. The charge will be determined monthly by multiplying the current quarterly Universal Service Fund (USF) contribution factor, listed below, as released by the F.C.C., by the end user customer's monthly, billing account level, Special Access Service charges.
