Re: Application for Special Permission

Dear Ms. Dortch:

Ozark Telephone Company (Ozark) (FRN: 0004269817) request Special Permission to waive Sections 61.58 and 61.15(g) to allow the material filed under Transmittal No. 8 to become effective on July 1, 2015. The filing was submitted after the deadline of 7pm Eastern Standard Time due to technical issues, thus this filing was filed on 14-day notice instead of the 15-day notice as required by 203(a)(3), and the carrier recognizes it will not receive "Deemed Lawful" status.

Ozark is asking for waiver of Section 61.58 to allow this filing to go into effect on less than 15-day notice. The Company is also asking for waiver of Section 61.15(g) because this request is being made after the fact due to technical issues during the filing process.

We respectfully request approval of this Application for Special Permission so that the tariff will be effective July 1, 2015.

All correspondence and inquiries concerning this filing should be directed to me at the above address or call 512-343-2544 or fax to 512-343-0119.

Sincerely,

Deb Morgan  
Authorized Representative  
Ozark Telephone Company
