Attention: Wireline Competition Bureau

Alexicon Telecommunications Consulting, Inc. asks for waiver of Sections 61.58 & 61.59 of the Commission's rules in order for Alexicon Telecommunications Consulting, Inc. to revise the Local Switching, Information Surcharge and Local Transport rates it filed in its tariff on June 16, 2015 under Transmittal No. 16. In addition, the proposed rates for the DS1 High Capacity Channel Termination rates were filed on the wrong line. Alexicon Telecommunications Consulting, Inc. wishes to correct these pages, as well as, correct the page revision numbers for Pages 39 and 43.

Alexicon Telecommunications Consulting, Inc. asks for a waiver of 61.58 in order to file on not less than one days' notice to become effective no later than July 1, 2015, in order to file the above mentioned tariff revisions. Alexicon Telecommunications Consulting, Inc. also asks for a waiver of 61.59 to change material that has not been in effect for 30 days.

Since the affected ILECs exited the NECA tariff this year, this filing is being made to correct the Local Switching and Local Transport rates and add the Terminating Information Surcharge rates so they will be in compliance with Section 51.909 of the Commission's rules.
